Dear Folks: Peace.

I hear that we are living in the 21st Century! Sometimes the era catches up with us.

It has been proposed to the Parish Council (and to me) to install a modern, programmable electric sign at All Souls, to promote our liturgical schedules and parish events more effectively to the neighborhood and passing traffic.

Three bids were invited from vendors of such signs and the best offer was presented to the Parish Council last week. They selected this bid and approved the project.

The cost estimate is $15,000. A strong influence on the decision to proceed, is the knowledge that three anonymous donors have already pledged $11,500 toward the purchase and installation of the new sign.

The remaining $3,500 we hope to raise from our parish community as soon as we can organize a campaign for it. Any monies in excess of the $3,500 will go to our St. Joseph Fund.

The placement of the sign will be on the stonework in front of church bearing our name.

There will be computer generated picture in the back of church this weekend so all can get a good idea of what the dingus would look like.

In today’s bulletin, please find a voting slip indicating your, approval, disapproval, or neutrality.

The Parish Council invites our parishioners to use these slips to give us your opinion of this project.

Please check your preference and drop it in the collection basket this week or next.

A strong majority of your Parish Council and I support this project.

Pax Christi ~ Fr. Jim

**LENTEH PRAYER TABLE**

During Lent, the Liturgy Committee is encouraging families to read the Bible together at home. Each week we will distribute items for Lent that will include readings, discussion questions, and an object for reflection. These can be found in the vestibule.

Today we have six stones; make a path on your purple cloth with the stones.

At the end of His life, Jesus journeyed to Jerusalem. We are journeying down a Lenten path. Think about different journeys you have taken. Where do you find God when you are away from home. Read Proverbs 3:5-6

*Have a blessed week!*

Please pray for those who have died, and for those who love them, especially parishioner,

Parish Council Update

The members of the Parish Council wanted to present a report on what the council has been accomplishing. Here is a six-month update:

Jane Crane, Sharon Crocker, Laura Voegelie and Liz Webb (along with Bev Shupe) completed Parish Missionary Disciples, a ten-month program presented by the Archdiocese to promote evangelization within the parish.

We approved a photo directory for the parish for 2019. More information will be coming soon.

We hosted the parish hours of devotion for the parish feast day – All Soul’s on November 1.

When a parishioner was injured at a Mass, it was determined that a first aid kit needed to be available during Masses. It is being ordered and its location will be communicated later.

A chili/soup supper was held on Saturday, February 23 for the parish to socialize. A can drive provided 125 cans of food and $72 for Ritenour Co-Care Pantry. It is hoped that this will be an annual social activity for the parish.

Mrs. Sharon Crocker was asked by parishioners to see what could be done for those with a hearing impairment. She did a lot of research to find a company that could provide a system that would make the Mass a more fruitful experience for those with a hearing problem. The contract was delivered to Mrs. Susan Shelton for review and processing. The funds for these devices will come from parish funds.

Mr. Ken Crowder has done a lot of work to obtain an LED sign for the parish. The council has accepted a proposal for the sign. Renderings of the sign will be placed at the back of church for a better understanding. A notice will be placed in the bulletin asking for the parish’s opinion on the sign. The majority of the cost of the sign has already been anonymously donated. The parish will be asked to contribute the remainder.

Many of these projects take several months from beginning discussion to research to completion to ensure that the parish is getting the best bang for its buck. If you see something that should be brought to the Parish Council’s attention, please don’t hesitate to let us know of the need. We are here to help make our Parish the best it can be, and we cannot do that without your help and support.

PRAYER FOR AN END TO INFANCIDE

The US Senate recently failed to pass the Born-Alive Abortion Survivors Protection Act - legislation that prohibits infanticide by ensuring that a child born alive following an attempted abortion would receive that same degree of care to preserve her or his life and health, as would be given to any other child born alive at the same gestational age. Please join us in prayer for an end to infanticide.

“Jesus, Lord of Life, transform the hearts of all elected leaders to recognize that infanticide is wrong and must not be tolerated. Open hearts and minds to recognize and defend the precious gift of every human life.”

*Missouri Senators, Roy Blunt and Josh Hawley supported the prohibition.

“No longer was there manna for the Israelites, who that year ate of the yield of the land of Canaan.”

Joshua 5: 12

Over the forty years that the Israelites journeyed through the desert, God provided them with manna to eat. As soon as they were able to enjoy the fruits of the Promised Land the manna ceased. Likewise, God’s blessings to us may change over the years but it is important to trust that God will always provide us with all that we need.
