Dear Parishioners,
In order to enhance the worship experience of our parishioners and guests who use wheelchairs and other mobility devices, one full pew has been removed near the front center aisle on the east side of church. For those who are hearing impaired, the Enhanced Hearing Devices are now available. Please see an Usher before Mass if you’d like to use one of these devices.

It is the hope of the Parish Council, that these accommodations will enable everyone to fully partake in the Holy Mass.

PSR at HOLY TRINITY BEGINS
